TO THE VOTERS OF PERRY COUNTY:

This is to express my deep and sincere appreciation and thanks to those who supported me so loyally and faithfully in the recent primary and gave me the Republican Nomination for County Judge.

I became a candidate only in response to popular demand. This demand came, I am quite sure, because of the vast accomplishments made for the people and the county during my previous terms as County Judge.

I sincerely believe that my experience in handling the affairs of this important office and the knowledge I possess of the operation of various departments of state and Federal Government will enable me to be of great and much needed service to all the people of the county. It is so necessary that we have the State Road Program for the county in almost continuous operation. It will bring vast sums of money due our people and give them the roads they so much need. You may be assured, judging my past record, that I can and will get many things done for the people of the county.

There is so much activity by both the State and Federal Governments toward road building and other developments for the benefit of the people, it makes it all the more necessary that the County Judge be one who has the knowledge and experience in getting full recognition for his county on every program that is set up. Therefore, I earnestly request that those who opposed me in the primary, their friends and all your Democratic friends join with me and make success possible at the polls in November. You may be assured that this will make possible the most outstanding and progressive programs for our county during the next four years.

Again expressing to you my deepest appreciation and heartfelt thanks, I am,

Sincerely yours,
J. A. SMITH

Butch Beard's Attorney Says Beard Wants To Attend UK

Butch Beard, prize catch of the recruiting season among Kentucky High School Athletes, has created a big stir with his announcement over the weekend that he wants to attend the University of Kentucky.

It has been reported that Beard signed a letter of intent with the University of Louisville on May 20 at 8:01 a.m. one minute after the deadline for signing such documents.

Beard's attorney announced Saturday that the 6-3 all star wants to attend UK.

The letter of intent is followed by several conferences, including the SEC, of which Kentucky is a member and the MVC to which Louisville belongs. The letter of intent merely protects the signer from signing with another school in the conference.

In other words Beard, by signing the letter of intent with UL, is only bound to the University of Louisville.

This brings to mind an incident of this type that happened on the local scene a few years back.

Lewis Couch, the all-star from Carr Creek, signed a letter of intent with Morehead State College to play college ball. Couch didn't fulfill the written agreement as he transferred to Cumberland College, which at that time was an independent school. Cumberland has since joined the K.I.A.C.

It would appear that in Butch Beard's case he signs a grant-in-aid with Kentucky and becomes the first player to play in the SEC and Louisville could not step into the matter.

The commissioner of the

MVC, Norvell Neeve, will have the last word as far as Louisville is concerned if he holds up the pact. Beard will lose two years of eligibility if he enters UK, otherwise he would be due his full college eligibility.

UK has said it will halt its recruiting of Beard until his status with UL is cleared up. Bernie Shively, athletic director at UK said, "We have been interested in Beard for a long time."

Beard led Breckinridge County to the State High School Basketball Championship two months ago and will be Mr. Basketball for the Kentucky-Indiana All Star Series slated for June 19 in Indianapolis and June 26 in Louisville.

Hazard fans remember Beard and his Breck teammates for the job they did in knocking Hazard out of the state meet in the semi-final round.

In regards to the time that Beard signed the letter of intent, officials at the high school in Hardinsburg say it is impossible that Beard could have signed at the 8:01 a.m. hour because he was on his way to school that morning. The three sport star arrived around 7:40 CST for class on the morning of May 20 which would have been 49 minutes after the signing, although Louisville time is one hour faster than that of Hardinsburg. According to reports it is almost impossible to drive in that length of time from the school to the signing. Beard signed the letter at the Breckinridge County High School.

If Beard should meet UL that would give the Cardinals the most coveted 12 places in college basketball. Westley Holsell, 6-8 guard from Louisville, Seneca, will be a sophomore in this year's variety at UL and would have two years to team with Beard in that should come about.

Eric Wake of Louisville has been awarded a one-year assistantship to Texas Christian University at Fort Worth, Texas.

Don Kruse, Big Man, Evades Rupp; Signs With University of Houston

It seems as if Don Kruse, a 6-8 1/2 is the big campus star time ago, and now that the Cats need, but indicated strongly that he would like to attend Kentucky.

However, his mother had asked him to remain in school in Texas so she could see him play.

Just as his name was asked Kruse signed a grant-in-aid with Houston University earlier this week.

With this major event it looks as if Rupp will have to place a big load on two sophomores come next December.

Thad Jaraz and Cliff Berger, two standouts from last year's team, have to bare a heavy burden if the Wildcats are to regain the SEC crown.

Jaraz, a 6-5 lucky youngster from Lexington, is a rugged rebounder and a dependable scorer.

Beard, as everyone expected, was named Mr. Basketball for the Kentucky Indiana series coming up next month.

PERRY COUNTY SCHOOL NEWS

By H. C. Robertson

Mr. Dennis Wooton, Superintendent of Perry County Schools, went to Frankfort Monday in the interest of Head Start, the pre-school program, and the elementary library program. He was accompanied by Miss Faye Campbell, Supervisor and Mr. Troy Fields, Director of Pupil Personnel.

Mr. Wooton attended graduation exercises at Leatherwood High School at 7:00 p.m. of the same day. Graduation exercises for the Big Willard Elementary School were at 9:30 a.m., Tuesday, May 25. The commencement address was given by Mr. Henry Robertson, Visiting Teacher. The theme was "Success." In a changing world, Mr. Corbett, Visiting Teacher, gave a talk urging the graduating class to accept responsibility for further education. The diploma was presented to the class by Mr. Clarence Howard. This was the culmination of the Principal Awards were presented to those who were eligible.

Members of the graduating class were: Genevieve Engle, Thelma Brock, Mary Lou Wilson, Vivian Campbell, Reed Morris and Beecher Morris, Jr. The Big Willard School has seen how ice cream was made

an excellent program and is an inspiration to all who serve it. It is a three room school. The teachers are Mr. Clarence Howard, Mrs. Helen Howard and Mr. Denny Campbell.

The principal, teachers, pupils and parents of Robinson Elementary School at Aty, Kentucky, greatly appreciate the outstanding support received for their carnival held on May 7, 1965. The amount cleared was well over \$1000.00 and will be used to purchase more instructional materials and items needed to improve their library. All items purchased will be permanent.

As the Perry County Schools come to a close for the year, we are happy to report that it has been a good year. We will perhaps have a more detailed report on this next week.

The two first grades of the Combs Grade School went to Meadow Brook Farm, May 14, class by Mr. Clarence Howard. This was the culmination of the farm that on which the children have worked.

The children observed the cattle and farm building, then went to the Grandview Drive-In playground for a picnic. Afterwards they were permitted to

at the Dairy Bar. The ice cream mix had been donated for the children by a local Dairy.

A visit to the airport to view the planes, hanger and runways was made at the end of the day's activities.

The two teachers, Mrs. Goldie Zimmerman and Mrs. Sally Summers were assisted by two of the mothers, Mrs. George Luttrell and Mrs. Dorothy Hoskins. The school's custodian, Mr. Burl Robertson, helped with the transportation of the children.

Kiwanis Club Hears Speakers On Alcohol, Tobacco, Narcotics

At the regular meeting of the Kiwanis Club Tuesday evening, May 25, at Don's, Paul Keen was program chairman. James Sanders and Robert Ridgewater of the Federal Department of Alcohol and Tobacco; in the order named were guest speakers.

Other violations included in put in prison or placed under heavy bond.

The only other visitor was Fonda Adams, a former member of the local Kiwanis Club, now residing at Naples, Florida.

The Kiwanis Club made its annual Key Club award at Duff Combs Tuesday evening. Paul Taulbee, President, was recipient of \$10.00 for outstanding work the past year. Principal Jones made the award. He merited the award on ability to preside, punctuality in monthly reports and offering services by his club.

Ridgewater in his discourse was equally as interesting because he delved into their personal experience in running down moonshiners. He stated that the amount of mash or whiskey destroyed in Kentucky raids was in the ratio of 1 to 10 increase in the Virginia raids in the same period. Also that 90% of the Kentucky violations were in Eastern part of state. In the country as a whole, by far the larger part of raiding troubles were in the larger cities in all states. There was much less trouble in the Kentucky mountains he said because in many cases the violators would keep their word to appear in court rather than be

ROLAND BAKER says . . .
Thank You!

If I could look just now, the pages would show you the voters of Perry County. I am so grateful for your support during the past year. I am humbly grateful for the honor of being your Republican nominee for Sheriff at this time, subject to the November election.

The primary was a hard fought campaign and I'm respectful of the capabilities of my opponents. I know how hard they can be, but I ask them and their supporters to be fair and any bitterness and help me to win a second term.

Since I was a little boy, I've had the dream of being Sheriff for the people of Perry County. In recent years I've tried to make that dream a reality, though often it seemed far off. With your help and encouragement I've been able to keep my youthful ambitions. Now I sincerely ask the continued support of you good people of Perry County through November.

Perhaps two little words best sum up my gratitude to my friends, family and workers. So "Thank You" from the bottom of my heart.

I'll be seeing you again this summer and fall!

Roy Eversole Teachers Honored At Ceremonies in School Last Week

Tributes were paid to teachers at the Roy G. Eversole School during last week. On Monday, a gift presentation was made by the faculty to a fellow teacher, Mrs. Effie Porter, who is retiring at the end of the regular school term.

The following poem, written by one of the teachers who wishes to remain anonymous, sums up the esteem in which she is held:

To Mrs. Porter,
You've been a faithful and loyal person,
The children will miss you, That's for certain!
The many minds you've helped to mold
Your impact on them can never be told.
You were always here through rain and snow
We saw in your face that certain glow.
Ever planning for better ways
To build character for the coming days.
Never failing to be fair and true
To all the children so dear to you.
We feel sure you'll keep that glow,
Spreading joy wherever you go.
A little gift we present to you
For services rendered so sincere and true.

We too, shall miss you and your pleasant ways
And envy you much on the rougher days.
On Wednesday, a surprise Teacher Appreciation Party was given by the girls of 702 (Mrs. Basy's Homeroom) for the teachers of Grades 7 and 8, the Principal, Mr. Estill McIntyre, Supervisor, Mr. Earl Smith, and Librarian, Mabel Burkl.

Betty Carol Francis expressed appreciation to the teachers for their faithful discharge of duty to the pupils.

Perry Garden Club Meets At Library

The Perry County Garden Club met on Tuesday afternoon, May 25 at the Bobby Davis Library. Present were the following members: Mesdames Gene Parker, T. E. Moore, Don Ward, Chalmers Lindon, Harold Greene, Dewey Daniel, Paul Petrey, Eh Boggs, C. D. Snyder, John Green, L. O. Davis, Richard Johnson, W. W. Reeves, Harold Sigmon, Misses Marion Cole and Elizabeth Griffy.

Mrs. Gene Parker, the President, presided, and Mrs. W. W. Reeves substituted for Pro-day for a week. Each day add some of the toilet water. Leave the top off for a week; then seal the jar and steep for a month before you use it.

A Recipe for Pot Pourri Mrs. Reeves explained to the garden club the procedure for processing rose petals for pot pourri. The petals from fragrant roses such as Etolide de Holland or Mirandy roses are gathered after they have fallen from the stem. To these are added a few rose buds for color. The petals are spread on a wire screen or absorbent paper towel to dry in the sun for several days. In placing the petals, care is taken to see that they do not lie on top of each other. A bed of Maytime and white Cascade petunias was planted by Mrs. Davis at the entrance to the library. Work continues on the stone steps and walkways in the park, which we hope will prevent a number of unsightly paths.

Mrs. Harold Greene asked the club to take on the project of planting the plot opposite the entrance to the gymnasium, which so far has one lovely, pink flowering crab. Mrs. William F. O'Donnell has been appointed Chairman of Garden Therapy. The District Meeting of the Mountain Laurel Region Garden Club will be held in Hazard in the fall. Mrs. L. O. Davis will be Chairman. Mrs. L. D. Gorman is Vice-chairman. Miss Marion Cole, Mesdames

Don Ward, and Alva Hollon will decorate for the Nurses' graduation at the Baptist Church on June 12.

Mrs. Parker read a resolution from the Better Roads Council asking for support of the Bond Issue in November because surrounding states are voting to expedite the building of modern highways by raising funds to support Federal grants of nine thousand dollars for each one-thousand dollars the states raise. The club members unanimously voted to support this issue in the coming election.

Big Rock Bottom Church Dedicated; Public Library Opens

by J. Anderson Hamblin
The dedicatory service at the Big Rock Bottom Baptist Church on Sunday, May 23, was both inspiring, spiritually and successful financially.
The message on the church brought by Rev. Harold G. Sanders from Solomon 6:10 was most inspiring. A most sumptuous and appetizing dinner was served by the ladies.
Rev. O. B. Gabbard preached in the afternoon.
Total offering for the day was \$247.06 for which we are most grateful, especially to the candidates for public office. We are sorry for those who lost and congratulate the winners.
The candidates who contributed and were present were: Mr. and Mrs. Berman Gibson, Mr. and Mrs. Homer Eversole, Roland Baker, Mr. and Mrs. Monroe Riley, Henry Womble, Mrs. Yancy Amis, Taulbee Abner, Mr. and Mrs. McKinley McIntosh, and Eli Giloert and Ber-nice M. Combs.
Those who sent contributions were: George Caudill, Bill Kelly, J. A. Smith, Jessie Horn, Harve Hensley, and Sam Riley.
To all those we heartily thank you and wish you the best of luck.
Attending the services were all the living family of Rev. Orville B. and Rena McIntosh: Gay, i. e., Mrs. Minta Begley, and Mrs. Lettie Strong of Chavies, Jephtha Gay, and General Gay of Buckhorn, also present were six children of Isaac and Polly Ann McIntosh: John J. McIntosh, McKinley McIntosh, Amanda May and Zillah McIntosh of this community and Mary Gay and Emma Ingram of Lexington.
Also attending were: Maude McIntosh, and Cora E. McIntosh. The earth is receiving much needed rainfall.
Milton Eversole, who is still

in the Veterans Hospital is still in serious condition, though some improvement has been made. His wife Ella returned home for a short stay. She is constantly with him.
Margaret Sandlin, Hazel Combs, and Mary McIntosh have been confined in Appalachian Hospital. We pray for them to recover.
Mrs. Erwin H. Plumer and her two daughters, Marla and Wendy, are visiting in Minnesota with relatives. They will return to Buckhorn around the 20th of June.
Mr. Erwin H. Plumer has taken three boys from the Presbyterian Child Welfare Agency to Washington, D. C., for a week.
Miss Judy Houk has opened a public library in the old grade school building. Everyone is invited to use it.
Two-year-old Caroline Hill visited with her grandmother, Mrs. Sarah Collins, for two weeks. Mrs. Pauline Hill and

Eli Brashear Expresses Appreciation!!

Thank to the large number of voters that turned out to vote for the candidate of their choice. Especially the ones that voted with me on new ideas for economy and progress, since all of my opponents were advocating greater spending and at the same time the Governor is planning on raising more money, the state is needing so badly my plans were headed in that direction but I lost.

ELI BRASHEAR

TO THE VOTERS OF DISTRICT 4:

I would like to express my appreciation to my many friends who supported my candidacy for the office of Magistrate, District 4, in the Democratic Primary May 25.

I extend my special thanks to the people who worked so hard for me during this election.

Even though I lost, I feel that I have won in that I have gained many friends during this campaign.

Again I say, thanks.

Isn't it time you tried Old Fitz PRIME?

Why should you? Because Old Fitz Prime Straight is the most flavorful Bourbon ever bottled at mild 86.8 proof.

Big statement? Yes, but big flavor backs it up. This is prime sour mash Bourbon, slow-made on our 116-year-old family recipe, and naturally oak-ripened for eight Kentucky summers. It has achieved a peerless perfection of taste and aroma which lesser whiskies can never approach.

Mighty mild... mighty mellow! Try a bottle and it will all be clear to you.

Plane Crash Kills Couple in Letcher

The crash of a small plane in a rugged section of Letcher County last Wednesday night took the lives of Kingston, North Carolina couple. They were identified as Mr. and Mrs. O. A. Bredeson.

The plane apparently came apart during a violent thunder storm. Junior Banks, of Van, Kentucky, near where the accident occurred told Kentucky State Police that he heard an explosion and then saw the fuselage flying through the air.

Wreckage was strewn over a three mile radius, according to reports. One wing and a section of the tail were found on separate peaks.

A ladies purse and the fuselage of the small plane were found at the base of the 500 foot mountain on which the bodies were found.

The plane left Nashville, Tennessee early Wednesday for Wilmington, Delaware.

The accident occurred off Kentucky 160 in a remote area of Letcher County near Van, Kentucky about four miles Northwest of Whitesburg.

Shortly before the crash occurred the pilot was in contact with the London Airport and reported he was flying at 11,000 feet and was coming into a

Coca-Cola Plant

Resumes Operation

Following Walkout

Things are back to normal at the Hazard Coca Cola Bottling Works following a walkout of 9 employees that lasted almost two months.

Driver salesmen and plant workers were back on the job last Thursday morning and according to reports business has been very good.

The strike started on April 19 when the local plant was taken over, on an option, by the owners of the Whitesburg Coca Cola Plant. According to reports the workers came out for job security and asked for a union.

The new owner of the plant turned down the option when the strike began, so the plant remains in the same hands it has been in for the past 51 years.

Perry Circuit Judge Don A. Ward issued a temporary restraining order against the nine striking employees on May 7 to keep them from interfering with operations of the plant.

The local plant covers all of Perry and Knott Counties.

Homer A. Taff Announces State's Role In Clean-up Campaign

Full agency support for Kentucky's 1965 effort in pressing the national "Keep America Beautiful" campaign was announced this week by Homer A. Taff, State Conservationist of the U. S. Soil Conservation Service, headquartered at Lexington, Kentucky.

Mr. Taff stated, "The aims of rural and community beautification are in complete harmony with those of conservation. As the season of tourist travel and family outings approaches, we are also mindful of annual, serious damages to property and natural resources caused by careless trash disposal."

According to the conservation official, Soil Conservation Service technicians assisting Kentucky's 121 soil conservation districts are prepared to help. They will suggest useful vegetation to screen unsightly areas and aid in designing measures to control polluted runoff water.

Use of agency soils-maps to select sanitary areas for the increasing numbers of camps grounds has been another device in preserving the beauty of the countryside. SCS will continue this method in the current program, Taff said.

The Soil Conservation Service participated in the Kentucky Clean-up and Beautification Conference held at Lexington on May 19-20, 1965.
